- EXPERIENCE: Techstars Startup Weekend** **2020, 2019**
- Competed against 150 entrepreneurs to pitch an idea, form a team & build a startup
  - Built a startup from scratch in 54 hours with a team that came together at the event
  - Our team won the 'Best Startup' award in Spring 2020.
- Grizzhacks 4 Hackathon** **2019**
- Participated in a 24hr non-stop hackathon with 3000+ hackers at Oakland University
  - We built a trendy web application that solved the problem of indecisiveness while ordering food.
  - Our team won the 'Best Web Application' award
- Fueladream Fundraising** **2019**
- Raised funds for heart surgeries of children of financially challenged families
  - Marketed my campaign on social media and raised INR 66,300/- (approx. \$1000) in 21 days, exceeding my initial target of INR 30,000 by 221%
  - Funded the surgeries of two children and partly funded a third surgery
- Laughter Yoga** **2019**
- Introduced 23-year old organization to social media networks to expand their reach
  - Collaborated with the IT team in setting up social media handles and the mobile app. I took responsibility for all the content posted online as Social Media Manager.
  - Built a system for all Laughter Yoga practitioners and trainees worldwide to reach out.
- Computer Training for students of a rural school (Personal Project)** **2016**
- Introduced students of a rural middle school to basic Windows PCs
  - Conducted a week-long course in which students were introduced to simple applications such as Microsoft Paint, Pinball, Microsoft Word, and Gmail
  - Equipped students to excel in this technology-driven world
